

BCAA

BRANCH CHAIN AMINO ACID

CHRISTOPHER BOOTS

BCAA

BRANCH CHAIN AMINO ACID

A brave new world of forms inspired by the world of branch chain amino acids, the building blocks of life. From these base compounds, anything is possible. BCAA is composed of a bespoke brass modular framework. Sandblasted borosilicate glass covers in tubular or globular form. Available in virtually endless dimensions - from single drops to extensions in metres of span or height.
