

SUGAR STICK

CHRISTOPHER BOOTS

CHRISTOPHER BOOTS

SUGAR STICK

A delectable crystalline structure unites natural stalagmite forms with childhood memories of the sugar stick candies made famous by the historic Raffles Hotel, Singapore. Warm light seeps through cracks and crevices, illuminating the wonderful imperfections of the crystals themselves and highlighting the natural beauty of quartz

MATERIALS (素材)

Quartz crystal, brass, iron, polymer, gallium

FINISHES † (仕上げ)

Clear or smoky quartz crystal

DIMENSIONS † (サイズ)

Variable

WEIGHT (重量)

Starts at 5kg
